Precious Mother & Daddy:
We have a beautiful
big seven pound grandson
named Roy Erwin for his
parents' two fathers. Arrived
the twenty-third. Both
doing fine. Never saw
anyone (or two) do better.
They are a happy little
couple and we are proud
grandparents.
Dorothy & Norman are
affected the most. She has
the most to say. I guess
she has grown a mile -
if we could measure her
feelings.
Will write more later
Much love - Grandma.
